

ISSUE #1 -Proposed Modified Language for Option #6:

Use the RPA as currently mapped and require additional RPA delineations for specific development application types (e.g., ZMAP ZCPA, SPEX, SBPL, CPAP, STPL, and specified grading permits). For all other application types (e.g., building permits, zoning permits, etc.) for existing lots, the County will provide additional RPA delineations as necessary at no cost to the individual lot owner.

This is simply a combination of Options #3 and 6
